Comment on FR Doc # 2015-08831

## **Submitter Information**

Name: Ted Russell

## **General Comment**

I am opposed to any rule change that would make it illegal to invest in Options in an IRA account. I understand what you say you are trying to do but there are an infinite number of ways to lose money in an IRA easier than trading options. Traded correctly, options have less risk than purchasing the actual shares of stocks themselves. Please count this as a big NO.
